

The next Construction Industry/NDOT Materials Subcommittee meeting is scheduled for Tuesday, July 28 at 2:00 pm. It will be held in the 3rd floor conference room located at NDOT Headquarters in Carson City and video-conferenced to the NDOT District I conference room in Las Vegas.

The agenda for Tuesday's meeting will be as follows:

- Approval of previous meetings minutes from April 21 that are available at www.nevadadot.com/business/Liaison_Committee
- Ergon has taken over the SEM operations in LV.
- Furlough's for State Employees and how Materials and Construction is dealing with them – Jeff Shapiro/Reid Kaiser
- Percent Within Limits update – Steve Hale
- Bag-house fines – question posed in minutes – can a contractor increase the bag-house fines if their stabilities are passing? NDOT's desire is to leave them at 2% max.
- Process regarding pit permitting – Reid Kaiser
- Use of prime coats – Reid Kaiser
- Change in specs for MSE Backfill – Mark Salazar
- RAP contract update (NW McCarran Blvd.) – this project is scheduled to advertise during the month of September – Darin Tedford
- Stimulus Projects update (www.nevadadot.com/projects/stimulus) – Rudy Malfabon/Jeff Shapiro
