

TABLE OF CONTENTS

Foreword	2
CONTRACT STANDARDS	5
General “On Call” Program	6
General “Task Order” Program	7
Vendor Responsibilities	8
Consultant Proposal	9
Typical “On Call” Task Order	11
GIS Outline for Project Proposals	14
Consultant Time/Cost Example Invoice	15
Flowchart of Consultant Mapping	16
BILLING STANDARDS	17
Invoices/Audits	18
Location Division Certified Invoice (example)	19
Consultant Monthly Invoice and Progress Report	20
SURVEY STANDARDS	21
Types of Surveys	22
Minimum Engineering Survey Standards	23
Minimum Control and Land Survey Standards	24
Minimum GPS Acquisition Specifications	25
Conventional Surveys	28
Final Survey Reports	29
Instructions for Setting and Stamping of Control Monuments	30
Construction Control Monumentation	31
Monument Descriptions	32
Resolving Ground and Grid Distances	33
Datum Statement Specifications	34
Perpetuation of Survey Monuments	35
NDOT Transportation Policy (TP 3-1-3)	36
IMAGERY STANDARDS	40
Aerial Photography Standards	41
Aerial Film and Image Quality	43
Deliverable Products	44
Image Scanning Standards	46
PHOTOGRAMMETRIC MAPPING STANDARDS	49
General Specifications	50
Survey and Mapping Deliverables	56
Contents of the “Tools” CD	57
Accuracy Requirements	60
Accuracy Testing	61
Mapping Criteria	62
Accuracy Standards	63
NDOT MicroStation Work Zones	66
Map Feature Codes	67
NDOT Map Checks	70

TABLE OF CONTENTS, continued

GIS STANDARDS	71
Geographic Information System Standards	72
Hardware Standards	73
Software Standards	74
GIS Data Standards	75
GIS Base Map Features	77
GIS Database Standards	80
End User Data Standards	81
GIS Database Standard Fields	82
GIS Deliverables	83
