**Nevada Division of Environmental Protection  
Offers Storm Water Training  
May 21, 22, & 23, 2003**

**Construction Sessions**

Two training sessions will be provided each to allow operators to send as many staff as possible, including contractors, sub-contractors, and employees. These sessions will include an extensive overview of the regulations and permit compliance requirements. Some topics that will be discussed include: Notice of Intent (NOI), Storm Water Pollution Prevention Plan (SWPPP), permit conditions and requirements, Best Management Practices (BMPs), documentation requirements, inspection requirements, 14-day rule, and Notice of Termination (NOT). This is valuable training to ensure that your facility is complying with the existing storm water regulations as they apply to the construction industry.

There are no fees or costs for the training sessions.

**Construction Sessions: Daily**  
**8:30 a.m. - 10:30 a.m.**  
**2:00 p.m. - 4:00 p.m.**

**Who Should Attend?**

\* Operators of construction activity that will disturb one or more acres of land, or are part of a larger common plan of development or sale whose total land disturbing activities total one or more acres of disturbance.

To register for a session, please e-mail or call Cliff Lawson at [clawson@ndep.nv.gov](mailto:clawson@ndep.nv.gov), or call (775) 687- 9429.

A similar session will be held in Reno the first or second week of June. Look for these training sessions in future Contractor Bulletins.

**ON STATE FUNDED PROJECTS:**

On State funded projects the bidder is required to hold a valid contractor's license of a class corresponding to the work to be done prior to submitting a bid in accordance with the provisions of NRS Chapter 624.

The bidder's attention is directed to the provisions of NRS 338.147 which is summarized as follows: A responsible bidder who at the time of submitting his bid provides a copy of a certificate of eligibility to receive a preference in bidding on public works, issued to him by the State Contractor's Board, shall be deemed to have submitted a better bid than a competing bidder who has not provided a copy of such a valid certificate of eligibility if the amount of his bid is not more than 5% higher than the amount bid by the competing bidder.

**ON FEDERAL AID PROJECTS:**

On Federal-aid projects any Contractor, otherwise qualified by the State of Nevada to perform such work, is not required to be licensed nor to submit application for license in advance of submitting a bid or having such bid considered. However, the Contractor determined to be the successful bidder shall obtain the required license in accordance with the provisions of NRS Chapter 624 prior to executing the contract.

The Contractor agrees to ensure that disadvantaged business enterprises as defined in 49 CRF, Part 26 Amended have the maximum opportunity to participate in the performance of the contracts and subcontracts financed in whole or in part with Federal funds. The requirements for compliance are contained in subsection 102.03 and 103.02 of the Special Provisions and in the contract provisions appended to the Special Provisions.
