

NEVADA DEPARTMENT OF TRANSPORTATION CONTRACTOR BULLETIN

****SPECIAL NOTICE****

I-15 South Design-Build and ARRA Workshop

The Nevada Department of Transportation and Regional Transportation Commission of Southern Nevada will conduct a Contractor/Subcontractor Meeting and Networking Event

**April 8, 2009
Wednesday, 9 a.m. to Noon
Cashman Equipment Co.
3300 St. Rose Parkway
Henderson, NV**

The following topics will be discussed at the I-15 South Design-Build/American Recovery and Reinvestment Act (ARRA) economic stimulus package contractor and subcontractor business networking event:

- NDOT and local public agencies from southern Nevada will provide an overview of upcoming transportation construction projects.
- NDOT will address outreach efforts to encourage contractors to partner with local Disadvantaged Business Enterprise firms and vendors that are interested in bidding for the work on these projects.
- A representative of one of the Design-Build Teams will provide their perspective of the project and the subcontracting and supply opportunities that may be available.
- NDOT and local public agencies from southern Nevada will discuss the other major projects in southern Nevada. Representatives will answer questions from the participants about how to approach NDOT, local public agencies and their traditional prime contractors about securing work on these contracts.

The meeting will then break up into a session where subcontractors and suppliers will be able to sit with the prime contractors and discuss their business and the services they offer.

This meeting will officially start at 9 a.m. A tour of the Cashman facility will be available at 8 a.m. for those wishing to take part.

If you have questions regarding this workshop please contact Rudy Malfabon, NDOT Deputy Director for Southern Nevada, at (702) 671-8855.

Please RSVP by April 6, 2009, to Natasha Zonitch at (702) 671-8855.

Requests for auxiliary aids or services to assist individuals with disabilities should be made with as much advance notice as possible to Julie Maxey, NDOT Public Hearings Officer, at (775) 888-7171.

ON STATE FUNDED PROJECTS:

On State funded projects the bidder is required to hold a valid contractor's license of a class corresponding to the work to be done prior to submitting a bid in accordance with the provisions of NRS Chapter 624.

The bidder's attention is directed to the provisions of NRS 338.147 which is summarized as follows: A responsible bidder who at the time of submitting his bid provides a copy of a certificate of eligibility to receive a preference in bidding on public works, issued to him by the State Contractor's Board, shall be deemed to have submitted a better bid than a competing bidder who has not provided a copy of such a valid certificate of eligibility if the amount of his bid is not more than 5% higher than the amount bid by the competing bidder.

ON FEDERAL AID PROJECTS:

On Federal-aid projects any Contractor, otherwise qualified by the State of Nevada to perform such work, is not required to be licensed nor to submit application for license in advance of submitting a bid or having such bid considered. However, the Contractor determined to be the successful bidder shall obtain the required license in accordance with the provisions of NRS Chapter 624 prior to executing the contract.

The Contractor agrees to ensure that disadvantaged business enterprises as defined in 49 CRF, Part 26 Amended have the maximum opportunity to participate in the performance of the contracts and subcontracts financed in whole or in part with Federal funds. The requirements for compliance are contained in subsection 102.03 and 103.02 of the Special Provisions and in the contract provisions appended to the Special Provisions.
