**American Recovery and Reinvestment Act of 2009
(ARRA) Workshop**

The Nevada Department of Transportation, in cooperation with the Associated General Contractors Nevada Chapter and the Nevada Procurement Outreach Program, will conduct a Contractor/Subcontractor Meeting and Networking Event

**May 26, 2009
Tuesday, 7:30 a.m. to 11 a.m.
AGC Northern Nevada
5400 Mill Street
Reno, NV**

The following topics will be discussed at the American Recovery and Reinvestment Act (ARRA) economic stimulus package contractor and subcontractor business networking event:

- NDOT and local public agencies from Northern Nevada will provide an overview of upcoming transportation construction projects.
- NDOT will address outreach efforts to encourage contractors to partner with local Disadvantaged Business Enterprise firms and vendors that are interested in bidding for the work on these projects.
- NDOT and local public agencies will be available to discuss the other major projects in Nevada. Representatives will answer questions from the participants about how to approach NDOT, local public agencies and their traditional prime contractors about securing work on these contracts.

The meeting will then break up into a session where subcontractors and suppliers will be able to sit with the prime contractors and discuss their businesses and the services they offer.

This meeting will officially start at 7:30 a.m. with a formal presentation.

If you have questions regarding this workshop please contact Roc Stacey, NDOT, Contract Compliance Manager, at (775) 888-7497.

Please RSVP by Friday, May 22, 2009, to Kari Rhodes at (775) 888-7497.

Requests for auxiliary aids or services to assist individuals with disabilities should be made with as much advance notice as possible to Julie Maxey, NDOT Public Hearings Officer, at (775) 888-7171.

Concrete Mix Design

A PDF file has been developed and placed on the Nevada DOT website as an example of concrete mix designs that have been used on previous projects. To access the site use the following address:

Materials Division Testing Manual

An electronic version of the NDOT Materials Division Testing Manual has been created and placed on the Nevada DOT website. The online version consists of all of the current test methods, as of December 2008. As revisions of test methods are made in the future, they will be included in the online manual.

An email distribution list is being created for transmitting notification of future revisions. Current Testing Manual holders should email the contact below to ensure proper notification of updates.

ON STATE FUNDED PROJECTS:

On State funded projects the bidder is required to hold a valid contractor's license of a class corresponding to the work to be done prior to submitting a bid in accordance with the provisions of NRS Chapter 624.

The bidder's attention is directed to the provisions of NRS 338.147 which is summarized as follows: A responsible bidder who at the time of submitting his bid provides a copy of a certificate of eligibility to receive a preference in bidding on public works, issued to him by the State Contractor's Board, shall be deemed to have submitted a better bid than a competing bidder who has not provided a copy of such a valid certificate of eligibility if the amount of his bid is not more than 5% higher than the amount bid by the competing bidder.

ON FEDERAL AID PROJECTS:

On Federal-aid projects any Contractor, otherwise qualified by the State of Nevada to perform such work, is not required to be licensed nor to submit application for license in advance of submitting a bid or having such bid considered. However, the Contractor determined to be the successful bidder shall obtain the required license in accordance with the provisions of NRS Chapter 624 prior to executing the contract.

The Contractor agrees to ensure that disadvantaged business enterprises as defined in 49 CRF, Part 26 Amended have the maximum opportunity to participate in the performance of the contracts and subcontracts financed in whole or in part with Federal funds. The requirements for compliance are contained in subsection 102.03 and 103.02 of the Special Provisions and in the contract provisions appended to the Special Provisions.
