Retraction of the waiver of forfeitures stated in NRS 338.060 for all Contracts using the LCPTTracker electronic certified payroll reporting system.

In order to facilitate additional testing and complete substantial upgrades to the LCPTTracker electronic certified payroll submittal system, NDOT has been lenient in assessing forfeitures for late certified payroll for the contracts entered into the system as of April, 2008.

NDOT has accepted the testing and upgrades to date and will resume assessing forfeitures of certified payrolls submitted late.

Additionally, all contractors using LCPTTracker since April, 2008 must resolve any outstanding issues by March 15, 2009 and can contact LCPTTracker directly at the following:

Mark Douglas, President
Phone: (714) 669-0052, extension 101

Materials Division Testing Manual

An electronic version of the NDOT Materials Division Testing Manual has been created and placed on the Nevada DOT website. The online version consists of all of the current test methods, as of December 2008. As revisions of test methods are made in the future, they will be included in the online manual.

An email distribution list is being created for transmitting notification of future revisions. Current Testing Manual holders should email the contact below to ensure proper notification of updates.

ON STATE FUNDED PROJECTS:

On State funded projects the bidder is required to hold a valid contractor's license of a class corresponding to the work to be done prior to submitting a bid in accordance with the provisions of NRS Chapter 624.

The bidder's attention is directed to the provisions of NRS 338.147 which is summarized as follows: A responsible bidder who at the time of submitting his bid provides a copy of a certificate of eligibility to receive a preference in bidding on public works, issued to him by the State Contractor's Board, shall be deemed to have submitted a better bid than a competing bidder who has not provided a copy of such a valid certificate of eligibility if the amount of his bid is not more than 5% higher than the amount bid by the competing bidder.

ON FEDERAL AID PROJECTS:

On Federal-aid projects any Contractor, otherwise qualified by the State of Nevada to perform such work, is not required to be licensed nor to submit application for license in advance of submitting a bid or having such bid considered. However, the Contractor determined to be the successful bidder shall obtain the required license in accordance with the provisions of NRS Chapter 624 prior to executing the contract.

The Contractor agrees to ensure that disadvantaged business enterprises as defined in 49 CRF, Part 26 Amended have the maximum opportunity to participate in the performance of the contracts and subcontracts financed in whole or in part with Federal funds. The requirements for compliance are contained in subsection 102.03 and 103.02 of the Special Provisions and in the contract provisions appended to the Special Provisions.
