NATIONAL RESEARCH		
National Research	1997 Washto RAC Meeting	Fall 1997
National Research	National Research Advisory Committee (NRAC) Meeting	Fall 1998
National Research	WesTrack Pooled Fund Project	Fall 1998
National Research	WASHTO RAC Meeting	Fall 1999
National Research	Annual NTPEP Meeting	Fall 2005
National Research	Annual NTPEP Meeting	Fall 2005
National Research	NDOT Employees Serve on National Research Committees and Panels	Fall 2005
National Research	Evaluating The effectiveness of Continuous shoulder Rumble Strips in reducing "Ran-off-Roadway" Single Vehicle Crashes	Fall 2006.pdf
National Research	Research, Development and Technology Transfer (RD&T) Program	Fall 2006.pdf
National Research	Studies of Traffic Control Devices	Fall 2005
<u>National Research</u>	<u>Exploring Alternative Strategies for the rehabilitation of low volume roads in Nevada</u>	Fall 2007.pdf
National Research	FY 2008 New Research Projects	Fall 2007.pdf
National research	New NDOT Research Projects Selected	Fall 2008.pdf
National Research	Corrosion evaluation of Mechanically Stabilized Earth Walls	Fall 2008.pdf
National Research	Use of Lane Striping and Delineators to Control Vehicle Speeds in Work Zones	Spring 1997
National Research	FY 2007 Research problem Statements Underway	Spring 2006.pdf
National Research	Effects of De-Icing Salts on Vegetation In the Lake Tahoe Basin	Spring 2006.pdf
National Research	Research Digest: Cool Pavements	Spring 2007.pdf
National Research	Annual NTPEP Meeting, The	Summer 1997
National Research	NCHRP Research Report	Summer 1998
National Research	Washto-X is Underway	Summer 2002
National Research	Winter Maintenance Improvements In Nevada – Phase I	Summer 2006.pdf
National Research	Seismic Performance of Integral Connections Between Cast-in-place Substructures and Precast Concrete Superstructure	Summer 2006.pdf
National Research	Signal control and Phasing	Summer 2007.pdf
National Research	Speeding in Work Zones Areas	Summer 2007.pdf
National Research	Research Problem Statements For NDOT FY 2008	Summer 2007.pdf

National Research	National Pooled Fund Research Initiated by NDOT	Winter 1998
National Research	National Research Advisory Committee (NRAC) Meeting	Winter 1999
National Research	NCHRP Funds WesTrack Completion	Winter 1999
National Research	WesTrack Pooled Fund Project	Winter 1999
National Research	Congestion Ahead	Winter 2008.pdf
National Research	Self Consolidating Concrete: A New Trend in the Concrete Industry	Winter 2008.pdf
National Research	Bridge Deck Asphalt Plug Joint	Winter 2009.pdf
National Research	Innovative Safety Technology for I-580 Freeway	Winter 2009.pdf
PRODUCT EVALUATION		
Product Evaluation	Qualified Product List (QPL) Update	Fall 2003
Product Evaluation	Reporting System on Product Failures	Fall 2005
Product Evaluation	FHWA Initiative to Review the Product Evaluation Processes	Fall 2006
Product Evaluation	Product Evaluation Program Survey	Fall 2006
Product Evaluation	How Can a Product be Removed from a QPL?	Spring 2000
Product Evaluation	Qualified Product List (QPL) on Intranet	Spring 2001
Product Evaluation	December 2005 and March 2006 Meeting Recaps	Spring 2006
Product Evaluation	QPL Rediscovered	Spring 2006
Product Evaluation	Review of NDOT QPL Process and Propriety Products Policy	Spring 2006
Product Evaluation	Rainline Corporation	Summer 1997
Product Evaluation	Qualified Product List (QPL)	Summer 1999
Product Evaluation	Specification Revision for Soil Stabilizers and Dust Palliatives	Summer 2004
Product Evaluation	FHWA Sole-Source Review	Spring 2007.pdf
Product Evaluation	Guardrail Galvanizing Process	Spring 2007.pdf
Product Evaluation	Product Status Listing: A New Tool to Help NDOT Employees	Winter 1998
Product Evaluation	Qualified Product List (QPL)	Winter 1999
Product Evaluation	Specifications and a QPL for Concrete Stains	Winter 2005
PRODUCT EVALUATION - APPROVED SPEC / QPL		
Product Evaluation – Approved Spec/QPL	Syro MPS-350 III: NCHRP 350 Approved Truck Mounted Attenuator	Fall 1997
Product Evaluation – Approved Spec/QPL	Thermoplastic Pavement Marking Materials	Fall 1998
Product Evaluation – Approved Spec/QPL	Hydro Seal 75	Fall 1999
Product Evaluation – Approved Spec/QPL	QPLs for Bridge Expansion Joint Systems	Fall 1999
Product Evaluation – Approved Spec/QPL	Qwick Kurb's Median Barrier	Fall 1999
Product Evaluation – Approved Spec/QPL	Better Prodcuts for Overhead Sign Structures	Fall 2000
Product Evaluation – Approved Spec/QPL	Reflective Sheeting Materials	Fall 2000
Product Evaluation – Approved Spec/QPL	Service Pedestals	Fall 2000
Product Evaluation – Approved Spec/QPL	QPL for Emergency Vehicle Detectors	Fall 2001
Product Evaluation – Approved Spec/QPL	Snow Plowable Raised Pavement Markers	Fall 2002
Product Evaluation – Approved Spec/QPL	Time Released Water Product f	Fall 2002
Product Evaluation – Approved Spec/QPL	Anti-Graffiti Coating Standards and a QPL	Fall 2004
Product Evaluation – Approved Spec/QPL	Beebe Saddlemarker: Riding the Rails with Saddlemarker	Spring 1997
Product Evaluation – Approved Spec/QPL	Brugg Cable Company: Geobrugg Rockfall Protection	Spring 1997
Product Evaluation – Approved Spec/QPL	Bundy Pad for Raised Pavement Markers	Spring 1998
Product Evaluation – Approved Spec/QPL	Techstar's W-Seal Bridge Expansion Joint Material	Spring 1999
Product Evaluation – Approved Spec/QPL	QPL's for PCCP Crack Sealers and Epoxy Anchoring System	Spring 2000
Product Evaluation – Approved Spec/QPL	Stormwater Runoff Treatment Systems	Spring 2001
Product Evaluation – Approved Spec/QPL	Acrylic Adhesive Anchor Systems	Spring 2002
Product Evaluation – Approved Spec/QPL	NDOT Type IX Retroreflective Sheeting for Traffic Signs	Spring 2002

Product Evaluation – Approved Spec/QPL	QPL for LED Traffic Signal Head Modules	Spring 2002
Product Evaluation – Approved Spec/QPL	Dynamic Message Signs (DMS)	Spring 2003
Product Evaluation – Approved Spec/QPL	QPL for Detectable Warnings (Truncated Domes)	Spring 2004
Product Evaluation – Approved Spec/QPL	K&K Safety Assist Lights	Summer 1999
Product Evaluation – Approved Spec/QPL	Preformed Thermoplastic Materials	Summer 1999
Product Evaluation – Approved Spec/QPL	Asphalt Release Agents	Summer 2000
Product Evaluation – Approved Spec/QPL	Polyurea Striping Paint to Promote Quality Roadway Delineation	Summer 2003
Product Evaluation – Approved Spec/QPL	Red-light Running Detection Tool	Summer 2003
Product Evaluation – Approved Spec/QPL	Advanced Drainage Systems High Density Polyethylene Flared Culvert End Sections	Winter 1997
Product Evaluation – Approved Spec/QPL	Maxwell Product's Elastoflex 60C Crackfiller	Winter 1997
Product Evaluation – Approved Spec/QPL	Three New Bridge Joint Systems: Watson Bowman's Jeene Joint, Dow Corning's 902 RCS, and Koch's BJS	Winter 1997
Product Evaluation – Approved Spec/QPL	Round Inductance Loops	Winter 1998
Product Evaluation – Approved Spec/QPL	Cellular Erosion Control Mats Specifications Approved	Winter 2001
Product Evaluation – Approved Spec/QPL	Hot Applied Thermoplastic Pavement Markings	Winter 2003
Product Evaluation – Approved Spec/QPL	Sign Lighting Fixtures/Assemblies	Winter 2003
Product Evaluation – Approved Spec/QPL	Surface Drainage Products – Trench Drains	Winter 2003
Product Evaluation – Approved Spec/QPL	QPL for High Mast Head Fram Assembly	Winter 2004
Product Evaluation – Approved Spec/QPL	December 2004 Meeting Recap	Winter 2005
Product Evaluation – Approved Spec/QPL	Specifications and a QPL for Textured Concrete Coatings	Winter 2005
PRODUCT EVALUATION – FIELD TEST		
Product Evaluation – Field Test	Epoxy Industries EvaZote 380: Pre-formed Foam Joint Sealant	Fall 1997
Product Evaluation – Field Test	Sign Support Bases for Small Signs: Breakaway and Slipbase Designs Field Test	Fall 1997
Product Evaluation – Field Test	Breakaway Support Couplings for Light Poles	Fall 1998
Product Evaluation – Field Test	Asphaltic Plug Expansion Joint Material Trial	Fall 2001
Product Evaluation – Field Test	Liquid Pavement Markings are Under Evaluation	Fall 2001
Product Evaluation – Field Test	Field Test of All-in-one Bag Asphaltic Plug Joint System from Pavetech	Fall 2003
Product Evaluation – Field Test	Field Test of Neoprene Compression Seals from DS Brown	Fall 2003
Product Evaluation – Field Test	Dri-Water Test on I-580 Project	Fall 2005
Product Evaluation – Field Test	A Reflective Delineator for Raised Curbs	Spring 1998
Product Evaluation – Field Test	Breakaway Signpost Bases	Spring 1998
Product Evaluation – Field Test	Qwick Kurb Portable and Re-Usable Temporary Traffic Separator	Spring 1998
Product Evaluation – Field Test	Astro Optics Raised Curb Marker	Spring 1999
Product Evaluation – Field Test	Breakaway Signpost Bases	Spring 1999
Product Evaluation – Field Test	Koch High Float Emulsion	Spring 1999
Product Evaluation – Field Test	Manitoba Safety Base, Ltd. Breakaway Coupling for Light Poles	Spring 2000
Product Evaluation – Field Test	3M Canoga Vehicle Detection System	Spring 2001
Product Evaluation – Field Test	Testing Reflexite Endurance Sign Systems for Use in Work Zones	Spring 2001
Product Evaluation – Field Test	3 M Wet Reflective Tape	Spring 2003
Product Evaluation – Field Test	Testing Epoxy Overlay Systems for Bridge Decks	Spring 2003
Product Evaluation – Field Test	Field Test of Permanent Tape from Brite-Line Technologies	Spring 2004
Product Evaluation – Field Test	Field Test of Anti-Graffiti Coatings	Spring 2005
Product Evaluation – Field Test	Anti Graffiti Coating Test Results	Spring 2006
Product Evaluation – Field Test	Petraflex: Erosion Control Revetment System	Summer 1997
Product Evaluation – Field Test	Techstar, Incorporated: W-Seal Bridge Expansion Joint System	Summer 1997

Product Evaluation – Field Test	Uretek USA's Concrete Lifting System	Summer 1997
Product Evaluation – Field Test	Development of Performance Specification for Pavement Marking Materials	Summer 1998
Product Evaluation – Field Test	Graffiti Control Products: Daw Incorporated's Graffiti Solution System	Summer 1998
Product Evaluation – Field Test	3M Stamark Liquid Pavement Marking Series 1200	Summer 1999
Product Evaluation – Field Test	Enviro-Guard, LLC Quick-Guard Silt Anchor / Gauge	Summer 1999
Product Evaluation – Field Test	Koch High Float Emulsion	Summer 1999
Product Evaluation – Field Test	Concrete Protective Coatings	Summer 2000
Product Evaluation – Field Test	Test Deck for Epoxy Bridge Overlay Systems Underway	Summer 2000
Product Evaluation – Field Test	Con-Arch Reinforced Culvert System	Summer 2001
Product Evaluation – Field Test	Durable Liquid Pavement Marking Materials	Summer 2001
Product Evaluation – Field Test	Flexible Guide Posts Re-Evaluation	Summer 2002
Product Evaluation – Field Test	Reflexite Endurance Work Zone Signs	Summer 2002
Product Evaluation – Field Test	Reinforcing Pavement Fabric Field Test	Summer 2003
Product Evaluation – Field Test	Bridge Deck Overlay Field Test	Summer 2007.pdf
Product Evaluation – Field Test	Bridge Deck Crack Sealant Field Test	Summer 2007.pdf
Product Evaluation – Field Test	Polyguards Pavement Reinforcing Fabric	Winter 1997
Product Evaluation – Field Test	K&K Systems Safety Assist Light	Winter 1998
Product Evaluation – Field Test	Qwick Kurb Traffic Guidance System	Winter 1998
Product Evaluation – Field Test	Lumi Trak Incorporated: Luminaire Retrieval System	Winter 1999
Product Evaluation – Field Test	On-going Field Test: Breakaway Signpost Bases	Winter 1999
Product Evaluation – Field Test	Watson Bowman Acme Corporation: Wabco Two Part Silicone	Winter 1999
Product Evaluation – Field Test	Reflective Raised Pavement Markers	Winter 2000
PRODUCT EVALUATION – PEC MEETING		
Product Evaluation – PEC Meeting	September 1997 Meeting Recap	Fall 1997
Product Evaluation – PEC Meeting	September 1998 Meeting Recap	Fall 1998
Product Evaluation – PEC Meeting	September 1999 Meeting Recap	Fall 1999
Product Evaluation – PEC Meeting	September 2000 Meeting Recap	Fall 2000
Product Evaluation – PEC Meeting	September 2001 Meeting Recap	Fall 2001
Product Evaluation – PEC Meeting	September 2002 Meeting Recap	Fall 2002
Product Evaluation – PEC Meeting	September 2003 Meeting Recap	Fall 2003
Product Evaluation – PEC Meeting	September 2004 Meeting Recap	Fall 2004
Product Evaluation – PEC Meeting	June 2005 & September 2005 Meeting Recaps	Fall 2005
Product Evaluation – PEC Meeting	June 2006 & September 2006 Meeting Recaps	Fall 2006
Product Evaluation – PEC Meeting	September 2008 Meeting Recap	Fall 2008.pdf
Product Evaluation – PEC Meeting	March 1997 Meeting Recap	Spring 1997
Product Evaluation – PEC Meeting	March 1998 Meeting Recap	Spring 1998
Product Evaluation – PEC Meeting	March 1999 Meeting Recap	Spring 1999
Product Evaluation – PEC Meeting	March 2000 Meeting Recap	Spring 2000
Product Evaluation – PEC Meeting	March 2001 Meeting Recap	Spring 2001
Product Evaluation – PEC Meeting	March 2002 Meeting Recap	Spring 2002
Product Evaluation – PEC Meeting	March 2003 Meeting Recap	Spring 2003
Product Evaluation – PEC Meeting	March 2004 Meeting Recap	Spring 2004
Product Evaluation – PEC Meeting	March 2005 Meeting Recap	Spring 2005
Product Evaluation – PEC Meeting	March 2006 Meeting Recap	Spring 2006
Product Evaluation – PEC Meeting	March 2007 Meeting Recap	Spring 2007.pdf
Product Evaluation – PEC Meeting	June 1997 Meeting Recap	Summer 1997
Product Evaluation – PEC Meeting	June 1998 Meeting recap	Summer 1998
Product Evaluation – PEC Meeting	June 1999 Meeting Recap	Summer 1999
Product Evaluation – PEC Meeting	June 2000 Meeting Recap	Summer 2000
Product Evaluation – PEC Meeting	June 2001 Meeting Recap	Summer 2001
Product Evaluation – PEC Meeting	June 2002 Meeting Recap	Summer 2002

Product Evaluation – PEC Meeting	June 2003 Meeting Recap	Summer 2003
Product Evaluation – PEC Meeting	June 2004 Meeting Recap	Summer 2004
Product Evaluation – PEC Meeting	June 2006 Meeting Recap	Summer 2006
Product Evaluation – PEC Meeting	September 1996 & December 1996 Meeting Recaps	Winter 1997
Product Evaluation – PEC Meeting	December 1997 Meeting Recap	Winter 1998
Product Evaluation – PEC Meeting	December 1998 Meeting Recap	Winter 1999
Product Evaluation – PEC Meeting	December 1999 Meeting Recap	Winter 2000
Product Evaluation – PEC Meeting	December 2000 Meeting Recap	Winter 2001
Product Evaluation – PEC Meeting	December 2002 Meeting Recap	Winter 2002
Product Evaluation – PEC Meeting	December 2002 Meeting Recap	Winter 2003
Product Evaluation – PEC Meeting	December 2003 Meeting Recap	Winter 2004
Product Evaluation – PEC Meeting	December 2002 Meeting Recap	Winter 2005
Product Evaluation – PEC Meeting	December 2006 Meeting Recap	Winter 2007
<u>PEC Activities</u>		
PEC Activities	Establish New QPL Categories from Materials	Winter 2008.pdf
PEC Activities	Boston Big Dig Epoxy Anchorage Panel Failures	Winter 2008.pdf
PEC Activities	Potassium Acetate on Galena Creek Bridge	Winter 2008.pdf
PEC Activities	Filtrona Barrier Rail Marker	Fall 2007.pdf
PEC Activities	NTPEP Panels	Fall 2007.pdf
PEC Activities	Pending Field Tests Status	Fall 2007.pdf
<u>PRODUCT EVALUATION – POLICY/PROCESS</u>		
Product Evaluation – Policy/Process	Reporting System on Product Failures	Fall 2005
Product Evaluation – Policy/Process	Field Test Procedures	Winter 2001
<u>PRODUCT EVALUATION – PRODUCT DEMO</u>		
Product Evaluation – Product Demo	Edge Follower	Winter 1997
Product Evaluation – Product Demo	Joint Maker	Winter 1997
<u>PRODUCT EVALUATION – QPL PRODUCT REMOVAL</u>		
Product Evaluation – QPL Product Removal	Thin Epoxy Bridge Deck Overlays	Fall 2005
Product Evaluation – QPL Product Removal	Deletion of Filtration Systems Type C, Conduit Duct Sealing Compound, and Barrier Marker Drums	Fall 2006
Product Evaluation – QPL Product Removal	Pacific Corrugated Pipe Company	Summer 1997
Product Evaluation – QPL Product Removal	Davidson Products Removal from QPL	Summer 2000
Product Evaluation – QPL Product Removal	Carsonite International	Winter 2000
Product Evaluation – QPL Product Removal	Wet Reflective Tape Would not be Used in Nevada	Winter 2005
<u>PRODUCT EVALUATION – SPEC/QPL UPDATE</u>		
Product Evaluation – Update(s) Spec/QPL	PCCP Crack Sealers and Epoxy Injection Systems	Fall 2000
Product Evaluation – Update(s) Spec/QPL	Specification Change	Fall 2002
Product Evaluation – Update(s) Spec/QPL	QPLs for Preformed Retroreflective Pavement Marking Tape for Extended Life	Fall 2003
Product Evaluation – Update(s) Spec/QPL	High Visibility Safety Apparel	Spring 2000
Product Evaluation – Update(s) Spec/QPL	Mechanically Stabilized Earth Walls B Large Panel Specification Revisions Approved	Spring 2001
Product Evaluation – Update(s) Spec/QPL	Water-Borne Traffic Paint Formulation	Spring 2001
Product Evaluation – Update(s) Spec/QPL	Specification Revision for Reflective Pavement Markers	Spring 2004
Product Evaluation – Update(s) Spec/QPL	Change to Acceptance Criteria for Guardrail Off-Set Blocks Made of Recycled Plastic	Spring 2005
Product Evaluation – Update(s) Spec/QPL	Change to Acceptance Criteria for Soundwalls	Spring 2005
Product Evaluation – Update(s) Spec/QPL	Water Filled Barrier Rail	Summer 1998
Product Evaluation – Update(s) Spec/QPL	Polycarbonate Stop Signs Specification Revision	Summer 1999
Product Evaluation – Update(s) Spec/QPL	Raised Pavement Markers	Summer 1999
Product Evaluation – Update(s) Spec/QPL	Breakaway Luminaire Base Coupling	Summer 2000

Product Evaluation – Update(s) Spec/QPL	Reflexite Endurance – Rigid High Strength Sign Panel Material	Winter 2000
Product Evaluation – Update(s) Spec/QPL	A Change to NDOT Specifications for Flexible Guide Posts	Winter 2004
RESEARCH		
Research	Fiscal Year 1998 Research Projects	Fall 1997
Research	FY 1999 Research Projects Selected	Fall 1998
Research	Research Division Reorganization	Fall 1998
Research	Information Store: Research Division	Fall 1999
Research	Research Coordinator Named	Fall 1999
Research	Research Cycle Begins Again	Fall 1999
Research	Research for Next Millennium	Fall 1999
Research	Research Reorganized	Fall 1999
Research	New Research Projects Selected for FY 2001	Fall 2000
Research	Research Program Cycle Begins Again	Fall 2000
Research	Soundwall Evaluation Standards and Procedures	Fall 2000
Research	Early Age Shrinkage and Cracking of Nevada Concrete Bridge Decks	Fall 2001
Research	Product Evaluation Synthesis Topic	Fall 2001
Research	Assessing the Superpave System for Nevada's Conditions	Fall 2002
Research	NDOT FY 2003 New Research Projects Selected	Fall 2002
Research	Evaluation of Erosion Control Strategies Along US Highway 50 in the Clear Creek Watershed	Fall 2003
Research	Three New Research Projects Added to the NDOT FY 2004 RD&T Program	Fall 2003
Research	FY 2006 Research Program: Off To A Good Start	Fall 2004
Research	New Research Projects Approved for the FY 2005 RD&T Program	Fall 2004
Research	Research Division Welcomes New Research Coordinator	Fall 2004
Research	Tilted Signs Research Progresses	Fall 2005
Research	Evaluating the Effectiveness of Continuous Shoulder Rumble Strips in Reducing "Ran-off-Roadway" Single-Vehicle Crashes	Fall 2006
Research	Research, Development & Technology Research Program	Fall 2006
Research	A Small Portion of the NDOT Wish List	Spring 1997
Research	Collection of Data to Relate Vehicle Operating Weights to Registered Weights for Highway Cost Allocation and Highway User Fee Analysis	Spring 1997
Research	Public Outreach Campaign Material for Safer Work Zones	Spring 1997
Research	Performance of Lime in Hot Mix Asphalt Pavements	Spring 1998
Research	Product Evaluation Coordinator Appointed	Spring 1998
Research	NDOT Product Evaluation: The Past, Present and Future	Spring 1999
Research	New 1999 Research Projects	Spring 1999
Research	Research Underway to Develop NDOT Standards for Noise Barrier Systems	Spring 1999
Research	Assessing Applicability of Superpave Mix Design System to Nevada's Conditions	Spring 2000
Research	Goals Set for a Robust Research Program	Spring 2000
Research	New Product Evaluation Coordinator Named	Spring 2000
Research	Research Goes the Extra Mile	Spring 2000
Research	DOT Conducts Research Peer Exchange	Spring 2001
Research	Evaluation of Asphalt Crack Sealant Under Nevada Conditions	Spring 2001
Research	Seismic Evaluation and Retrofit of Las Vegas Downtown Viaduct	Spring 2002

Research	Where Does the Money Come From and How Much Do We Have?	Spring 2002
Research	Comparative Evaluation of Simulation Software for Traffic Operations	Spring 2003
Research	Development of a Joint Density Specification	Spring 2004
Research	FY 2006 Research Problem Statement Solicitation Completed	Spring 2005
Research	Performance, Design, and Detailing of Two-Way Column Hinges	Spring 2005
Research	Effects of De-Icing Salts on Vegetation in the Lake Tahoe Basin	Spring 2006
Research	FY 2007 Research Problem Statements Underway	Spring 2006
Research	New Research Team Members	Spring 2006
Research	Implementing Pavement Research	Spring 2007.pdf
Research	Research Digest: Cool Pavements	Spring 2007.pdf
Research	Crash Cushions and End Terminals	Summer 1997
Research	Determination of In Situ Footing Stiffness Using Full Scal Dynamic	Summer 1998
Research	Research Program Peer Exchange	Summer 1998
Research	Characterization of Nevada's Binders using Superpave Technology	Summer 1999
Research	Research Advisory Committee (RAC) Meeting	Summer 1999
Research	Prioritization of Research Proposals for FY 2001 RD&T Program	Summer 2000
Research	Traffic Control in a Roundabout Way	Summer 2000
Research	New Research Projects Selected for FY 2002 RD&T Program	Summer 2001
Research	Performance and Selection of Asphalt Crack Sealant	Summer 2002
Research	Evaluation of New Pavement Technologies in Nevada	Summer 2003
Research	Performance of Cold in Place Recycling (CRM) Projects	Summer 2003
Research	Development of Seismic Design Method for Reinforced Concrete Two-Way Bridge Column Hinge	Summer 2004
Research	Recognition of NDOT Employees on AASHTO/TRB Committees/Panels	Summer 2004
Research	Seismic Performance of Integral Connections Between Cast-in-Place Substructures and Precast Concrete Superstructure	Summer 2006
Research	Winter Maintenance Improvements in Nevada – Phase I	Summer 2006
Research	Demonstration Project #87	Winter 1997
Research	Improved Pavement Performance with Pre-Compaction	Winter 1997
Research	FY 1999	Winter 1999
Research	NCHRP Report: Research Implementation Boosters, Barriers and Strategies	Winter 1999
Research	Research Activity Update	Winter 1999
