

## SECTION 11.0

### SANITARY SEWERS

*[3.3.1 For discharges into facilities treating domestic sewage, used in storage, treatment, recycling, and reclamation, of municipal or domestic sewage, that are not owned or operated by NDOT, the following shall be provided:]*

*[3.3.1.1 Written and signed confirmation from each facility authorizing the discharge of pollutants into the facility system; and,]*

*[3.3.1.2 A report of all authorizations is submitted to NDEP, no later than one (1) year after the effective date of this permit.]*

NDOT has contacted each District to determine if there are any existing connections from NDOT's storm drain systems to facilities treating domestic sewage.

**District I –Tonopah** reported no connections. The September 2, 2004 email to the Environmental Services WQS from District I – Tonopah addressing this issue is located in Appendix B.

**District I- Las Vegas** reported no connections. District I confirmed no connections in an email to the Environmental Services WQS. The referenced email is located in Appendix B.

**District II** reports one connection from NDOT's storm drain system to the Virginia City Wastewater Treatment Facility. NDOT has obtained a letter from Storey County Public Works authorizing the connection. The letter is located in Appendix B.

**District III** reports no connections. The email from District III to the Environmental Services WQS is located in Appendix B.
