## **INTRODUCTION**

**This document was created to provide the users with a single source reference for the current State System. It contains the official description and mileage for all State maintained routes and is divided into two main sections.**

**The first section contains a list of Interstate (IR), United States (US), and State Routes (SR) by county and includes beginning and ending points as well as the total length of the route. Also included in this section are Access Roads (AR), Frontage Roads (FR), State Parks (SP), Rest Parks (RP) and Welcome Stations (WS).**

**The second section contains a summary of the routes and a cross reference linking the current State system to previous route numbers. As changes to the State Maintained Roadway System occur, Roadway Systems will notify the Department through Quarterly System Change Memorandum. Copies of these memo can also be found in our Sharepoint site.**

**For additional copies of this document please contact the Roadway Systems Division at (775) 888-7447 or for an electronic copy please visit our website at <http://www.nevadadot.com>**
