Planning Division / Research Section

APPLICATION FOR EVALUATION OF A PRODUCT

Instructions: Answer all questions. If a question is not applicable, answer N/A. Attach additional sheet(s) as needed. Submit four (4) applications with attachments (waived if an electronic submittal).

I, _____ being an authorized agent of _____,
(Name of Company Representative) (Name of Company)

request that the Nevada Department of Transportation (NDOT) perform a product evaluation of

_____ (Trade Name)

_____ (Date)

Note: Each product or material must be submitted separately and must have a unique and identifiable name.

I have read and understood the NDOT Product Evaluation Instruction. The subject product (*hereinafter* PRODUCT) is submitted for evaluation as noted below:

_____ PRODUCT is new and does not have a Qualified Products List (QPL) category(s) nor is the product covered by NDOT specification(s). Use the APEL database to request product evaluation located at: http://www.nevadadot.com/reports_pubs/QPL/

_____ PRODUCT is submitted to NDOT for evaluation with applicable Qualified Products List (QPL) category(s) under current specification(s). Submit all the necessary information requested in the "Application for Evaluation of a Product" marking this choice. When selecting this option, identify the Qualified Products Category(s) for which the product will be evaluated. (*See NDOT Table of Contents for list of applicable categories along with the specification that applies to this product located at: http://www.nevadadot.com/reports_pubs/QPL/.*)

_____ PRODUCT has an applicable Qualified Products List (QPL) category(s), but does not meet current specification(s) and is requested to be evaluated under revised specifications. Submit all the necessary information requested in the "Application for Evaluation of a Product" marking this choice *located at: http://www.nevadadot.com/reports_pubs/QPL/.*

_____ PRODUCT is approved on the Qualified Products List (QPL), but has been modified or replaced with a newer model. Submit all the necessary information requested in the "Application for Evaluation of a Product" marking this choice *located at: http://www.nevadadot.com/reports_pubs/QPL/.*

_____ PRODUCT is being requested for a field test or a field review. Submit all the necessary information requested in the "Application for Evaluation of a Product" marking this choice and submit "Request for Field Test / Field Review" *located at: http://www.nevadadot.com/reports_pubs/QPL/.*

MANUFACTURER / DISTRIBUTOR INFORMATION

The manufacturer's information is used for contact information when requesting product(s) or material(s).

Manufacturer: _____

Company Contact: _____ Ph#: (____)____-____ Fax#: (____)____-____

Street Address: _____

City: _____ State: _____ Zip Code: _____

Email Address: _____ Web Site: _____

The Distributor information is completed only if different than the information provided above.

Local Distributor: _____

Distributor Contact: _____ Ph#: (____)____-____ Fax#: (____)____-____

Street Address: _____

City: _____ State: _____ Zip Code: _____

Email Address: _____ Web Site: _____

How long has the business been active? _____

Please provide a brief description of the business: _____

1. PRODUCT INFORMATION

Request product evaluation under the Qualified Products List (QPL) category(s):

Product Description: _____

When was the product(s) or material(s) introduced in the market? _____

Is this a proprietary item? Yes No

Is the product patented? Yes No Applied for (give date) _____

Has the PRODUCT previously been submitted for evaluation? Yes No

Is the PRODUCT part of a family of products that have been previously evaluated? Yes No

Is the PRODUCT a replacement for a product presently on the QPL? Yes No

If yes, please provide the previous trade name, family of products and/or trade name of product being replaced with the applicable QPL category: _____

Attach available literature pertaining to the product, including, but not limited to:

Certifications	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Material Safety Data Sheet	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Composition or laboratory analyses	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Plans, drawings, pictures	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Handling precautions	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Product Data	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Health hazards	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Specifications	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Installation and site preparation	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Test results, data and/or lab report	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Instruction and limitations for use	<input type="checkbox"/> Yes	<input type="checkbox"/> No	Training courses or video	<input type="checkbox"/> Yes	<input type="checkbox"/> No
Maintenance manuals or pamphlets	<input type="checkbox"/> Yes	<input type="checkbox"/> No			

*NOTE: The Nevada Department of Transportation will not accept sample material(s) or product(s) **unless previously requested**. When and if needed NDOT will request appropriate samples. At the discretion of NDOT, all material(s) or product(s) not requested will be returned at the applicant's expense. - a. Recommended or Alternate Use(s): _____
 - b. Outstanding feature(s) or advantage(s) claimed: _____
 - c. General composition of material: _____
[attach a laboratory report and material safety data sheet (MSDS)]
 - d. Date introduced on market: _____ Alternate for what existing product(s)? _____
 - e. Cost Per Unit Material (F.O.B.): \$ _____ per _____ (unit).
 - f. Cost Per in Place (F.O.B.): \$ _____ per _____ (unit).
 - g. If cost is "job-by-job", give typical price range to expect \$ _____ to \$ _____.
 - h. Product Availability: Seasonal Non-seasonal Delivery at site _____ days after receipt of order.
- Are quantities limited? Yes No Is the product guaranteed? Yes No
- Is the product data the same as the information found on the internet? Yes No
- Does the product have a warranty? Yes No If so, is it included? Yes No

2. SPECIFICATION INFORMATION

If there is no NDOT specification and no Qualified Products List category that has been developed for this type of product, please provide suggestions for product specification keeping in mind that the specifications must be general enough so that other manufacturers may participate. If this is not applicable, then put "N/A" in the space provided. _____

If there is an NDOT specification, but no Qualified Products List category, then please provide justification for NDOT considering the development of a Qualified Products list. If this is not applicable, then put "N/A" in the space provided. _____

If the product has been modified, please provide detailed information on the modification. What was modified? Why was the modification made? Did the product replace a previous product? If so, what product? Does the modification meet the minimum requirements of the appropriate NDOT specification? If this is not applicable, then put "N/A" in the space provided. _____

If a field test is requested, please provide justification for the request. If this is not applicable, then put "N/A" in the space provided. _____

a. Can a demonstration or field review be provided? Yes No

b. If requested, will samples be furnished for laboratory testing and/or field evaluations?

Yes No Free At Cost Approximate cost for samples? \$ _____

c. Will the manufacturer provide free installation of the material for field testing? Yes No

d. Will the manufacturer provide onsite supervision of the first installation in the field? Yes No

e. Is applicable field test data attached? Yes No

f. Does your product meet requirements of the following specifications? Please write the specification number, classification and type or subgroup when appropriate (i.e. AASHTO M 148, Type I D, Class A)

AASHTO _____

ASTM _____

FEDERAL _____

NDOT _____

OTHERS _____

3. NATIONAL APPROVALS / TEST INFORMATION

a. Opinion expressed by the Federal Highway Administration, if applicable: _____

Yes No If Yes, indicate which test deck. _____
 Yes No Copy of test deck enclosed. _____

b. Opinion expressed by NTPEP, if applicable.

Yes No If Yes, indicate which test deck. _____
 Yes No Copy of test deck enclosed. _____

c. Has the product been tested by other highway authorities or other agencies?

State: _____ Contact: _____ Phone Number: _____

State: _____ Contact: _____ Phone Number: _____

State: _____ Contact: _____ Phone Number: _____

State: _____ Contact: _____ Phone Number: _____

d. Is the product being tested or approved by other agencies or municipalities?

Organization: _____ Contact: _____ Phone Number: _____

Organization: _____ Contact: _____ Phone Number: _____

Organization: _____ Contact: _____ Phone Number: _____

Organization: _____ Contact: _____ Phone Number: _____

e. Are applicable certifications attached? Yes No

4. MISCELLANEOUS INFORMATION

The vendor is hereby notified that the Product Evaluation Committee of the Nevada Department of Transportation reserves the right to release or distribute any information included on this form, as well as, any recommendations the Committee or Evaluator may make concerning this product.

Signature _____

Name _____

Company Name _____

Title _____

Date _____

The evaluation will not commence until: 1) Please have the responsible official of the firm promoting the product sign the form; 2) ensure a material safety data sheet is provided; 3) ensure all product information is supplied and is consistent with on-line product data; and 4) ensure all documentation (as required) for certifications and testing is provided. The completed application should be returned to the address shown below:
