

NEVADA DEPARTMENT OF TRANSPORTATION PUBLIC NOTICE

Nevada Shared Radio System P25 Project Indian Springs, NV., in Clark County

PURPOSE OF NOTICE: The Nevada Department of Transportation (NDOT) has prepared an Environmental Assessment (EA) addressing the potential environmental impacts for a proposed communications tower site located within the existing NDOT facility at 851 MacFarland Ave. Indian Springs NV. 89018.

WHY: The proposed communications site includes: an 120' steel monopole telecommunications tower within the NDOT yard at approx. 36°34'14.99"N 115° 40'17"W. The tower will not be lit. The FCC Form 854 File Number is A1163284. Interested persons may review the application by going to www.fcc.gov/asr/ applications and entering the 854 file number.

WHERE YOU COME IN: You are invited to review and comment on the EA. Interested parties may raise environmental concerns about the proposed action by filing a Request for Environmental Review (RER) with the Federal Communications Commission (FCC). The FCC strongly encourages interested parties to file RERs online instructions can be found at: www.fcc.gov/asr/environmentalrequest However, if an online request is not possible, interested parties may mail their request to FCC Request for Environmental Review, 445 12th St. SW, Washington, D.C., 20554. Your comments will be accepted through 5 p.m. Monday, May 25, 2020.

CONTACT: For general project information, contact Jacob Grivette, Traffic Operations Division, Nevada Department of Transportation, 1263 South Stewart Street, Carson City, NV 89712, (775) 888-7884, or email to jgrivette@dot.nv.gov
