I, _____ (*name of firm owner*) declare that I have submitted all of the information required by the U.S. Department of Transportation (“DOT”) interstate certification regulation, 49 CFR 26.85(c). This information is complete and, in the case of the requirements of 49 CFR 26.85(c)(1), is identical to the information which served as the basis for my home state certification. Further, I declare that all facts in my most recent on-site report remain true and correct and an identical copy of the certification application as submitted to the home state, along with all supporting documentation has been submitted to the Nevada Unified Certification Program for _____ (*name of firm*).

The documentation submitted includes the following (***check all that apply***):

A complete copy of the application form, all supporting documents, and any other information you have submitted to your home state or any other state related to your firm's certification. This includes:

all affidavits of no change (including tax returns as submitted to the home state) (see 49 CFR 26.83(j));

any notices of changes that you have submitted to your home state (see 49 CFR 26.83(i)); and

any correspondence you have had with your home state's Unified Certification Program (“UCP”) or any other recipient concerning your application or status as a DBE or ACDBE firm.

Any notices or correspondence from states other than your home state relating to your status as an applicant or certified DBE or ACDBE in those states. For example, if you have been denied certification or decertified in any state, or are subject to a decertification action there, you must so state and provide all documentation concerning this action.

Any certification appeal with DOT and DOT's response, if you have ever filed an appeal (see 49 CFR 26.89).

ALL tax returns for the applicant firm and ALL subsidiaries and/or affiliates which were provided to your home state or any other state in which you are certified or have sought certification are required.

This declaration is made under penalty of perjury

Any material or false statement or omission made in connection with the application submitted or this affidavit is sufficient cause for denial of certification, revocation of prior approval, initiation of suspension or debarment proceedings, and may subject the person and/or entity making the false statement to any and all civil and criminal penalties available pursuant to applicable federal and state law.
